-  55,000 suppliers and sub-contractors across the network
-  Construction | Materials Suppliers | Infrastructure | Facilities Management
-  Strategic partnerships with organisations like 
-  Associate, Bronze, Silver, Gold and Platinum membership levels
-   **Marketplace**

Supplier membership levels & Schemes

Our supplier membership levels allow you flexibility to meet the standards you need to meet for your client relationships

Growing your business on Constructionline

A searchable profile - increasing your organisation's visibility to thousands of private and public sector buyers including free **Social Value** questions.

Meet the Buyer Events & Supplier Engagement Days - you will be invited to physical and virtual events so you can discuss opportunities and projects with buyers face-to-face.

Engage with our buyers - Let our buyers know you're ready to work through their 'Expression of interest' pages and new **Marketplace** application.

Opportunities matching engine!

Our Opportunities Matching Engine ensures you never miss an opportunity.

We will alert you to details of opportunities and projects published within the portal that meet your location and work categories.

All Public and Private opportunities will be available in one place with integration to 'Contracts Finder' & OJEU.
